

An essential part of Halcyon and Liber Limited’s overall management is the management of the lives of personnel, equipment or facility of the company, client or third party.

To ensure effectiveness in this management, we as a matter of policy, takes responsibility of the security of all our personnel, client representatives and third parties in all our work sites and premises.

In furtherance of this, we shall employ trained (unarmed) security officers.

Also, the services of licensed and professional security organizations shall be secured on retainer basis to boost our overall security system.

However, local security men from the communities where we operate will also be engaged.

Armed security agencies, such as the Mobile Police, Air force, Army, or Navy shall not be used in any of our work sites. They shall however be invited in riot situations which are out of the control of the Nigeria Police Force.

Signed for and on behalf of the Management.
