

It is Halcyon & Liber Limited's policy to require all her Workers and subcontractors working on her sites to adhere to the stop work policy, where work procedure is not in conformance with task.

Halcyon & Liber Limited is committed to ensuring safe work practice, and therefore wish to enjoin all her employee to make concerted effort to observe this policy.

Where it is deemed that the procedure is not suitable or the work is not safe, staff must disengage from the task and communicate to the appropriate authorities immediately.

This policy shall be applied and practiced in all our operations and locations on a 24 hours basis.

Signed for and on behalf of the Management.
